

RANKEN

TECHNICAL COLLEGE

Student Ambassador Program Description

Job Description

Ranken's student ambassadors are an influential group of students who are passionate about Ranken and want to spread the word about their positive educational experience to prospective students. Student Ambassadors assist in a variety of ways, including giving campus tours, planning campus events and helping the Admissions office and other departments in a general capacity.

Responsibilities

- Positively represent the Ranken Technical College student body to visitors of the College
- Assist the Admissions and Marketing offices in the student recruitment process
- Assist in the recruitment of future Student Ambassadors

Rewards

- Earn tuition stipends of \$250, \$375 or \$500 at the end of each semester
- Gain sharpened communication and public speaking skills
- Gain improved interpersonal skills and conversational skills
- Build your resume with leadership skills
- Meet and network with alumni, campus VIPs and future students

Qualifications

- An enthusiastic and positive attitude
- A good work ethic to perform assigned tasks
- A willingness to develop or improve public speaking skills
- An ability to start conversations with alumni, prospective students and family members
- A genuine desire to help Ranken Technical College remain a world class institution

Requirements

To remain an active Student Ambassador, students must:

- Attend all required training sessions
- Attend the spring and fall Open House events and other events as assigned
- Attend at least 2 of the 4 monthly meetings per semester
- Work a minimum of 20 hours throughout the semester (this number includes Open Houses and other special events)
- Be in good academic, professional and financial standing with the College
